

## LEGEND

Each coloured line below represents a bathymetric depth contour that is shown on the Sea Surface Temperature and Sea Colour Images available from [www.seasurface.com](http://www.seasurface.com)

To add these bathymetric contours to your image click on the “**Depth On/Off**” button to the left of the image window.

	Depth	
	(metres)	(fathoms)
	100	55
	200	109
	500	273
	1000	547
	1500	820
	2000	1094
	2500	1367
	3000	1640
	3500	1914
	4000	2187
	4500	2461
	5000	2734
